

GÜNEBAKANLAR

2025 Impact Overview

- **2025 has been a year of compassion, growth, and institutional strength for Günebakanlar.**
- **Through community-driven initiatives, emergency response efforts, and education-focused partnerships, we continue to support women, children, animals, and young people—particularly students—in Türkiye, while building a sustainable and transparent charitable structure in the UK.**

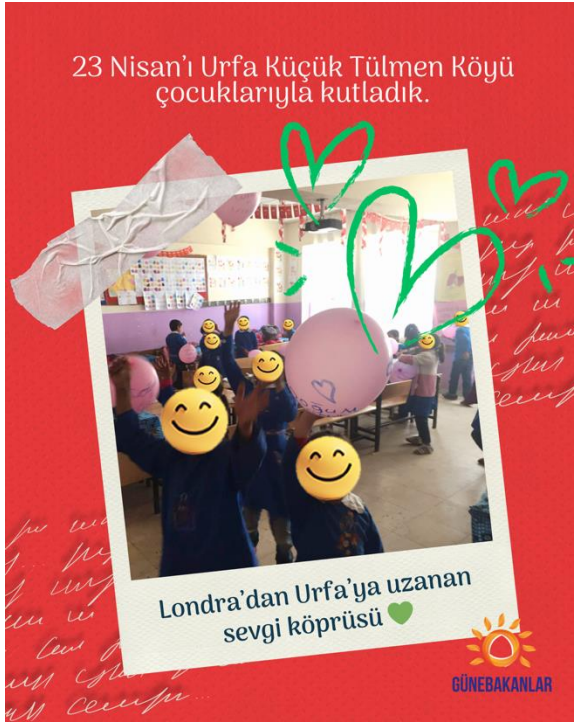

Supporting Women & Children

- **February 2025**
Following the 2024 year-end Christmas fair, we used the donations and contributions raised to support **Tomurcuk Vakfı** in Türkiye. These funds enabled the delivery of **movement-based workshops** for **150 children affected by the 2023 Kahramanmaraş earthquake**, providing much-needed **post-disaster emotional support** and helping children reconnect with their bodies, emotions, and sense of safety.
- **March 2025**
We hosted a **free online emotional wellbeing workshop for women**, creating a safe and compassionate space for self-expression, reflection, and healing. Voluntary donations collected during the session directly supported our ongoing work in Turkey.
- **March 2025 – International Women’s Day**
In celebration of **International Women’s Day**, we raised funds through community events in the UK and collaborated with a **Women’s Health Centre in Hatay, Türkiye**. The support helped the centre reach women experiencing **post-disaster mental wellbeing challenges**, offering care, guidance, and solidarity.

Thanks to our donors’ support, we helped fund the **Movement Workshops** organized by **Tomurcuk Derneği**, reaching **over 150 children** who survived the February 6th earthquakes in Turkey.

Bağışçılarımızın desteğini sayesinde, **Tomurcuk Derneği** tarafından düzenlenen **Hareket Atölyelerinin** kurulmasını destekledik ve 6 Şubat depremlerinden sağ kurtulan **150'den fazla çocuğa ulaştık.**

Emergency & Environmental Response

April 2025: We provided **school supplies and clothing** to children in Urfa and supported volunteers participating in **National Sovereignty and Children's Day (23 Nisan)** celebrations. These moments of joy, play, and togetherness reinforced hope, dignity, and a sense of belonging for children and families.

July 2025: Supported emergency response efforts during forest fires through collaboration with Hipder. Enabled rescue and medical care for wild and stray animals. Funded equipment, volunteer needs, waste clean-up, and the rebuilding of animal shelters. Our approach combines immediate relief with long-term prevention.

A Major Milestone: UK Charity Status

August 2025: Günebakanlar was officially registered with the Charity Commission for England and Wales.

Charity Number: 1214362

This milestone strengthens transparency, governance, and sustainability, allowing us to expand our impact with the confidence of donors and partners.

*The GUNEBAKANLAR-SUNFLOWERS is a charity and it has been entered onto the **Register of Charities with the Registered Charity Number 1214362.***

**CHARITY COMMISSION
FOR ENGLAND AND WALES**

The decision to register was based on our assessment of the information supplied during the application process and the declarations given in the trustee declaration form and we are satisfied that GUNEBAKANLAR-SUNFLOWERS is established for charitable purposes only for the public benefit.

Education & Children

October 2025

We delivered your **October 29 Republic Day** gift packages to **29 children** with disabilities through the **Robotel Association**.

December 2025

We launched a **scholarship support initiative** in collaboration with **Sabancı University alumni in the UK**, providing **financial assistance to students in Turkey** while strengthening **cross-border solidarity and alumni engagement**.

In the same month, we organised our **third annual Christmas Fair** together with our community, donors, and Sabancı University collaborators. The funds raised contributed to **supporting students and other vulnerable groups in Türkiye**, reinforcing our shared commitment to education, inclusion, and social impact.

Looking Ahead (2026 and Beyond)

- In collaboration with Sabancı University, we will continue to develop and expand bursary and scholarship support for students, raising funds through the engagement and generosity of Sabancı University alumni.
- Alongside our education-focused initiatives, we remain committed to supporting **vulnerable groups—especially women, children, and animals in Türkiye**. Working hand in hand with our community, we will continue to respond **wherever and whenever needs arise**, guided by compassion, solidarity, and a deep sense of shared humanity.
- At the same time, in partnership with **Değişim Liderleri Derneği**, we will host **female university students in London** through a leadership and cultural exchange programme, empowering them to return home with the confidence, skills, and vision to lead meaningful change.
